

## Stilpro BP Lid Unit 250

- Loading conforms to BS EN124 Class C
- Removable gratings for easy maintenance
- 125mm one width grating for all size channels
- Grating secured by corrosion free bolt system
- Epoxy rust proof coating
- Stiletto heel proof with 6mm slots

The STILPRO BP Lid incorporates the same features as the Standard Stilpro Lid but has a deeper upstand to accommodate block paving.
